SUMMER HOLIDAY HOMEWORK

Class-3rd

2026-2027

Dear students and parents

It's summer time when faces light up with a grin

As holidays are about to begin

It's time for the children to play and enjoy Free, unbound, high-spirited but safe at home.

Summer break is a vacation time students eagerly await for. So, now is the time to unlock the days creatively making the most while at home. So, adopt a herb, a house plant or a flower, bake a cake, sing-along, paint and draw and compose your own song or take up your hobby as the school announces the summer vacation.

To ensure that the children have a constructive holiday, some holidays' homework & projects have been given which will keep the child active and observant. These projects can easily be done by the children and you could assist only where required.

Stay safe, stay healthy!

Regards
H.L. International School
